## Q:

Please send me some information on this option

Where does the BCR mount ?

What kind of BCR is used ?

Is the BCR laser with multiple capability and able to read codes 128 and 39 ?

Any further description with drawings or pictures would help us in getting a quote out.

## A:

Yes, it can read 39 and 128. I added a picture. The BCR is a Keyence BL600

[http://www.keyence.com/products/barcode/bl\\_600/bl\\_600.html?links=4:M:T](http://www.keyence.com/products/barcode/bl_600/bl_600.html?links=4:M:T)

The BCR is mounted on the handler and allows reading in the stackers.
